### Frequent Y-er Card Frequently Asked Questions:

#### Who can we offer this program?

All YMCA Members.

*Holder of this card must hold a current YMCA membership.*

#### How does the member use it?

- Member may pick up a card at the Member Service Center
- Member should use the card at the time of their program purchase.
- Card may be used in conjunction with program purchases only.
- Membership purchases or payments do not count towards this program.
- Only Program purchases may be redeemed.
- MSC Associate will stamp card with official Y stamp.

#### Does this card expire?

No, but the YMCA reserves the right to cancel this program at anytime.

#### What happens if the card gets lost?

It is recommended that the member write their name on the back information area of the card, so if it gets lost and is turned in we can return it to them. This card will not be replaced.

#### What if the Member has more than one card that totals 16 stamps can they be added together for the \$10 Value?

Yes. We will simply add them together and use them as one card, no problem.

#### What if a Member is purchasing programs for a friend?

Honesty is the Core Value, if they are signing up for programs as a Member they will get credit for the purchase. If the friend is also a member, a second card can be stamped for their portion of the purchase.

#### What if they bring their card in after their purchase and want stamped?

This is a great Membership Perk. Card must be presented at time of program purchase.
